

# THE REVOLUTION IN AUTO DETAILING

If you're tired of your tools, waxes, polishes, pads, and microfiber occupying different areas of your garage or shop, then Rebel Carts were made for you. Keep everything in one convenient location, neatly stored, where you need them when you need them.

Rebel Carts create greater efficiency and organization, while bringing added simplicity to the car care process. Our carts are great for cars, SUVs, boats, airplanes and much more. So whether you're a collector, car dealer, detail garage, repair facility, styling center or a do-it-yourselfer, join the Rebel Cart revolution!
