

Table-Time Look & Learn Educational Tablecloths

A world of learning awaits!

What is the Table-Time Tablecloth?

For children from 18 months to 6 years of age, the Table-Time Look & Learn™ “Mostly Math” tablecloth is a colorful, engaging addition to your home that makes mealtime fun and a wonderful learning experience.

Conceived by a teaching veteran of over 30 years, the “Mostly Math” tablecloth covers over 20 math lessons children must learn to progress to the first grade.

Parents and grandparents agree it’s a great way to bring children to the breakfast or dinner table to connect for quality family time, keep them entertained, and educate them, as well.

The “Mostly Math” tablecloth contains over 20 State Standard math concepts for pre-k/k level, including:

- Comparisons, counting, addition and subtraction
 - Hours, days, months, and seasons
 - Names of common and uncommon shapes
 - Greater than and less than
 - Plus one and minus one counting
 - Counting to 50 by 1's, 5's and 10's.
 - Counting backwards from 50
- and much more!

What customers are saying?

“My four year old loves this! We take this out on the weekends and she'll spend an hour working her way around the table. A nice alternative to screen time while I get dinner ready and cleaned up.”

- Patricia H., Garden City Minnesota

My daughter said my 2 year-old grandson loved it! He proudly "read" the entire tablecloth which stimulated conversation.

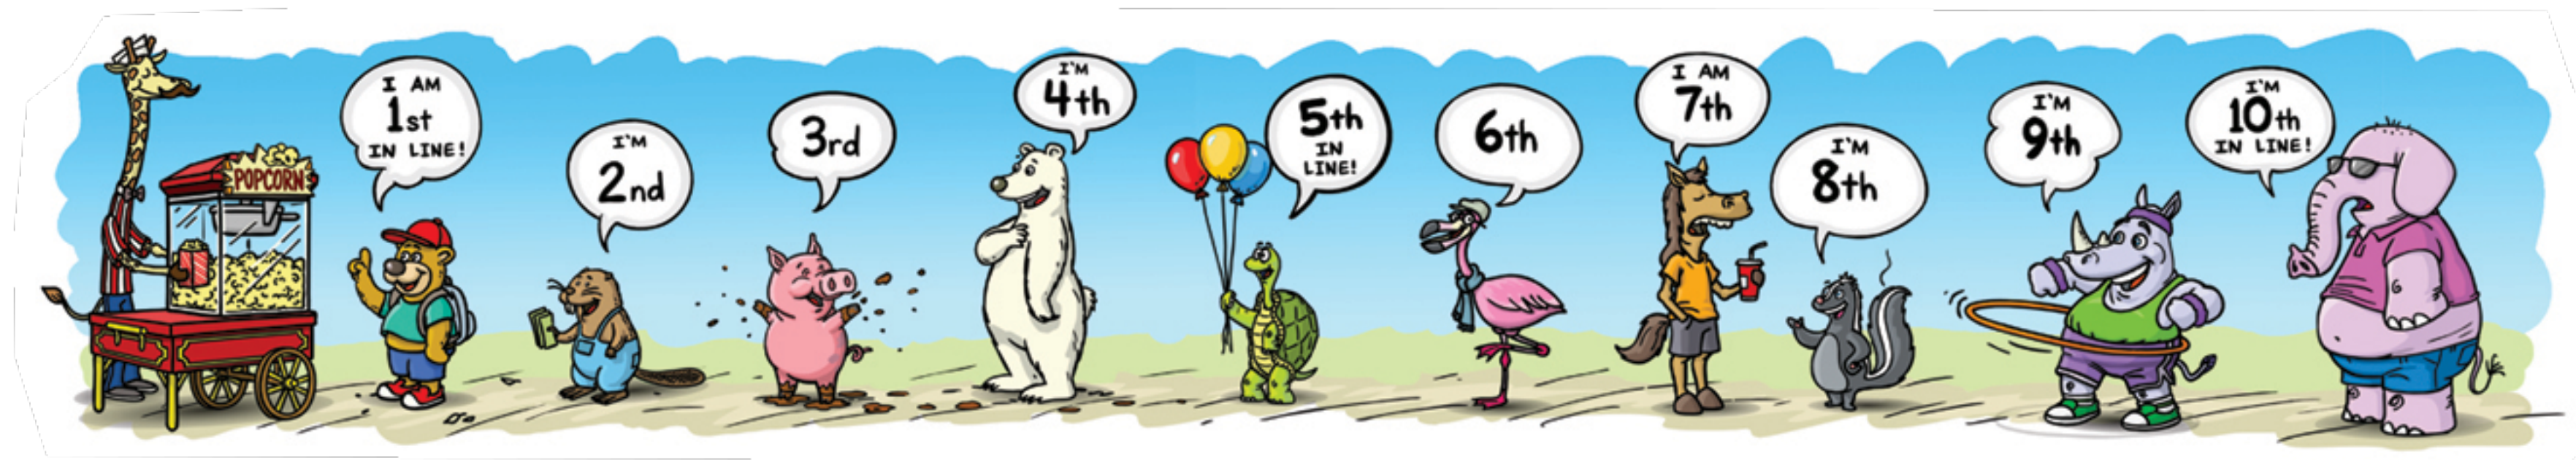

- Karen S., Bloomington, Ill.

“Makes mealtime fun for the kiddos. We homeschool so this comes in very handy when wanting to get some math in while eating. We make a game of it. Whoever solves the most math problems gets the last dessert”

- Tanya A., Perth, Australia

“I was looking for a tablecloth that would be fun, educational and encourage my daughters to stay at the table for meal times. My 2 year old especially loved the number section and my eldest was drawn to the seasons and clocks. It's providing lots of conversations and fun at meal times. What more can a parent ask for?!”

- Vanessa C., Newcastle, UK

“We were excited to get this for our grandchildren! They loved challenging each other to find yet another treasure on their fun new eating surface.”

- Merrilee G., Fall City, Washington

My 5 and 3 year ol boys love this tablecloth. They love to point our different numbers and shapes while eating. It protects my table and wipes clean easily.

- Andrea H., Lima, Oh.
