1. Prepay in advance for the covered area only either one day, one week or one month depending upon the desired time of space use.
2. Select from space inventory on a particular day via first-come, first-serve basis for the covered area. All vendors must arrive by 7:30 a.m. and check in with the site manager's office. Prepaid vendors must be in their assigned space(s) prior to 7:30 a.m.
3. For the open area, sign up for a lottery between 5:30-6:30am. Enter through Gate 10 off Riverside Drive.

Parking in any designated area is permitted, however we encourage vendors to park on the perimeters of the grounds to allow shoppers convenient parking.

All merchandise may be unloaded by bringing your vehicle as close to your space as possible. Maximum speed in the market grounds is 3 m.p.h. All vehicles must be removed from fire lanes and aisles by 9:30 a.m.

No prepared foods or drinks can be sold. No weapons, no items that would be inappropriate for a family venue and, of course, nothing illegal may be sold. Primarily brand name and discount merchandise, antiques and collectibles and crafts are permitted. California law mandates that any vendor selling merchandise must have a resale license. Maclin Markets must have a copy of your license on file by the time you have sold at the market twice. Contact your local State Board of Equalization for this permit.

Listing for their offices can be found in your local telephone book yellow pages. You will need to tell them where you are selling; please have this address available.
