Wed-Mon 10am - 6pm

Our Pomona Valley Indoor Swap Meet gets millions of customers per year. Businesses often don't succeed because of high start-up/fixed costs and high advertising expenses that return very few customers. Our Swap Meet has the customer base, the startup costs are unbelievably low, and the advertising - we do it for you!

At our Swap Meet, the business owner has the chance to quickly establish a prosperous business. Since there are no leases, the fixed costs are eliminated and there is very little risk involved.

The Pomona Valley Indoor Swap Meet enjoys a reputation of quality merchandise at amazing prices. Customers from all of Southern California will find the best bargains at any of our many shops.

For the cost of running a basic ad in the local paper, you will:

- be able to rent a booth on a month-to-month basis (no lease),
- not be required to give a security deposit,
- not be charged common area fees, and
- have a loyal customer base.

We also offer free parking. When you add up all the benefits, the decision is simple - any small business will have a great opportunity to be successful. As I mentioned earlier, advertising costs can be really high, and getting thousands of people to walk by your business each day sounds almost impossible. Not at our Swap Meet, so all you need to do is contact our management for details and availability.

Pomona - 24 days (Mon-Fri 10am-6pm, Tues closed)
