Every professional installation has its own unique requirements. Some jobs demand only the best, premium speakers. Other jobs are, how shall we say it, a tad more budget-conscious. We understand that you have to have the right speaker for the right job.

Our Oasis lineup gives you complete competitive assurance. When you have a job where competition and budgets are tight, Oasis is your answer. You won't find Oasis on the internet or in any retail store, assuring you the highest margins on every install.

You've found your Oasis.
