

LISTING TITLE:

Floor Potty Chair for Baby Boys, Girls & Toddlers. Portable, Non-Slip Seat with Splash Guard & High Backrest for Comfy & Safe Use in the House or Traveling. Best for Girl and Boy. No Need for Ladder.

BULLETS:

- **SAFE AND SECURE.** Help your child overcome their fear of the toilet by avoiding low quality potty chairs that slip or break easily. Your new Billie Bumble floor potty chair features a high backrest to ensure maximum back support and comfort. The non-slip edge seat and full base support keep your child safe and steady so you're both worry-free the whole time. Don't worry about harsh chemicals, we rigorously test our products so that they pass plastic safety standards in the US and Europe.
- **TRAVEL WITHOUT WORRIES.** Going on a road trip or family vacation soon? Don't pause potty training or worry about struggling with your child as he uses a public toilet. You can easily bring the potty chair with you because it's designed to be portable, lightweight, compact and doesn't need a ladder. It goes with you to the beach, on camping trips or car and train rides so you ensure potty training success with consistency.
- **SQUEAKY CLEAN IN UNDER A MINUTE.** Too busy to clean up? Don't worry, our floor potty trainer chair is made of durable plastic that is easy to clean. Just lift and empty the bowl. Wash with soapy water and voila, it's ready for the next use. Our seats are the best choice if you want to save time and effort.
- **BOOST YOUR KID'S CONFIDENCE.** Kids grow up so fast and we should make sure they're confident about themselves when they do. It all starts at home and it all starts with you. With their new potty chair, you encourage your little baby boys and girls to do things on their own. Beam with pride when they start showing signs of confidence and take that first step to independence.
- **KEEP POTTY TRAINING MESS TO A MINIMUM.** Toilet training doesn't have to be a messy, stressful experience especially for busy parents. Prevent spills and splashes with the potty chair's splash guard, just think of all the time and effort you save. Now you can keep your house squeaky clean even while toilet training your hyperactive baby or energetic toddlers.

DESCRIPTION:

Raise your child to be confident and self-reliant. It all starts at home and it all starts with you.

There's more to potty training than teaching your child to properly use a potty chair, a step stool or an adult-sized toilet. You are helping your little bundle of joy take the first steps to self-reliance. Ensure potty training success by getting the right tools and with the Billie Bumble Floor Potty Chair you can't go wrong.

Don't settle for poor quality potty chairs that could cause accidents. Our potty chair features a high backrest, non-slip edge and full base support so you are confident your child is safe and secure when using it. Stop worrying about slipping or breaking. Plus we rigorously test our products to ensure they pass plastic safety standards in the US and Europe.

Going on a road trip or long train ride? No problem. Easily bring the potty chair with you because it's portable and lightweight. Now you don't have to stop potty training or worry about your child using a dirty public toilet room.

Your child made a mess? It's all part of the process but we'll help keep the mess to a minimum. The potty chair is made of durable plastic that's so easy to maintain. Clean in under a minute by emptying the bowl and washing with soapy water. It's that easy and hassle-free.

Our potty chair is designed with your satisfaction in mind and it performs just as great as similar products from more expensive brands like Summer Infant, BabyBjörn, The First Years, Fisher-Price and Mommy's Helper.

LISTING TITLE:

Step Stool with Non Slip Grip For Kids. Easily Reach the Toilet, Bathroom Sink, High Bed, & Countertops. Curved Design. BPA Free.

BULLETS:

- **SAFE AND STABLE.** Avoid step stools that crack or break easily. Your child's safety from falling is at the forefront of our design. Silicone dots and rubberized bottom feet ensures your stool stays in place and prevents your toddler from slipping when climbing. Worry less about harmful chemicals because your step stool has passed all US and European plastic safety standards and is BPA free.
- **CLEANER TOILET TRAINING.** Watch in wonder as your child's easy transition from potty to toilet becomes a reality. Supporting up to 176 lbs, you won't even worry your kids get bigger, because the stool will stand the test of time.
- **BRING IT WITH YOU EASILY.** Your consistency of toilet training away from home with the same step stool makes your child feel more confident. It's also very useful for outdoors or camping trips so kids can reach the high point on the shelf wherever they are. Need an extra seat? No problem. Plonk down and enjoy this stool around a campfire or even in the backyard. (Just don't get it too close to the fire)
- **LOVE YOUR INDEPENDENT KIDS.** You'll wonder where the time went when your child is using the toilet, flushing, cleaning hands, brushing teeth and reaching the bed, all by themselves. You'll get a bit teary eyed as your little bundle of joy is no longer little anymore. It's sad to say, but your bathroom help will no longer be required. But you'll feel happy it's happening.
-
- **30 SECOND CLEANING.** Made a mess? No problem. Simply wash your new heavy duty, non-toxic and durable step stool with warm soapy water and set it out to dry. Easy peasy. **EXPERT TIP.** Teach your kids how to clean it for you to save even more time.

DESCRIPTION:

Confidence... one step at a time.

Make your house less big and scary for your kids. Let them reach toys from the closet, climb to the toilet like a big kid, and feel less helpless. Increase confidence and independence by encouraging more activities on their own with this heavy duty yet lightweight step stool.

Avoid step stools that are flimsy and made of low quality plastic which break or crack under heavy weight. Yours is designed with your child's safety as top priority. It can support up to 171 lbs or 80kg so growing kids can use it for years to come. The top silicone dots keep your child from slipping and rubberized bottom ensures the stool stays firm and secure.

Stop worrying about any harmful chemicals because this new step stool is made of durable BPA-free plastic that passed all US and European safety standards.

It's as hardy and trusty as similar products from more expensive brands like Rubbermaid, Cosco, Zohzo, Enovoe and Cozy Greens. That's great quality and great value.

LISTING TITLE:

Premium Floor Potty Chair for More Confident Babies or Toddlers. Training Seat for Boys & Girls with Splash Guard. Comfy, Non-slip, Easy to Clean, & Portable. Travel & Outdoor Friendly.

BULLETS:

- **ENSURE POTTY TRAINING SUCCESS.** Toilet training success is within reach when you've got an all-in-one potty training solution. Let your baby boy or girl use this as a sturdy stepping stool for reaching sinks, the bed and other high places. Ready to transition to an adult sized toilet? Let your toddler use this as an adapter seat. Don't pause potty training when you travel because this potty chair is portable. Take this multi-functional seat on long car rides, day treks or outdoor activities.
- **KEEP YOUR BABY SAFE AND SOUND.** Have peace of mind when you potty train your little girl or boy because our potty chairs and step stools are made from solid, non-slip polyurethane material for optimum comfort and stability. Don't worry about harsh chemicals because we rigorously test our products so that they pass US and Europe plastic safety standards. Toilet training shouldn't feel like a bootcamp, this is how you can help your child take the first step to independence. Start 'em early.
- **ONLY THE BEST FOR YOUR CHILD.** Don't settle for anything less than the best for your little one. Avoid using low quality potty training seats that can cause slips and falls. This potty chair is made from durable polyurethane material that can withstand the test of time so both you and your child are confident using it. Its high heat resistance and moisture barrier ensures long lasting usability. A 3-in-1 potty training gear for the price of one.
- **FAST AND EASY CLEAN-UPS.** Have more time to read books, watch videos and play with your baby girls and boys because this waterproof potty chair is easy to clean. With the detachable components, you only clean the parts that need cleaning. Clean the bowl in under a minute. Just remove the bowl, empty the contents and wash with soapy water. Viola! it's all set for the next use. It's the best choice for busy parents.
- **KEEP MESS UNDER CONTROL.** Protect your home from potty training mess with the potty chair's special splash guard which is built into the portable seat. Stop wasting time on tiring and unnecessary cleanups and have more time to sleep at night or do other things with your family. This is the potty chair you need if you want to keep the house squeaky clean even while toilet training toddlers.

DESCRIPTION:

Confidence starts here.

There's more to potty training than teaching your child to properly use a potty chair, a step stool or an adult-sized toilet. You are helping your little bundle of joy take the first steps to self-reliance.

Ensure potty training success by getting an *all-in-one solution* in the form of the Billie Bumble Multifunctional Floor Potty Chair. This is more than your regular potty chair. It's a potty training chair, step stool and adapter seat in one portable and compact design.

Don't settle for poor quality potty chairs that could cause accidents. Our potty chair is made from premium, highly durable polyurethane that ensures optimum comfort and stability. Its high heat resistance and moisture barrier ensures long lasting usability. Plus we rigorously test our products to ensure they pass plastic safety standards in the US and Europe.

Going on a road trip or long train ride? No problem. Easily bring the potty chair with you because it's portable and lightweight. Now you don't have to stop potty training or worry about your child using a dirty public toilet room.

Your child made a mess? It's all part of the process but we'll help keep the mess to a minimum. The potty chair is made of durable plastic that's so easy to maintain. Clean in under a minute by emptying the bowl and washing with soapy water. It's that easy and hassle-free.

Our potty chair is designed with your satisfaction in mind and it performs just as great as similar products from more expensive brands like Disney, Sesame Street, Bjorn, Frozen and OxGord.

Start your journey to potty training success with this multifunctional potty chair.

LISTING TITLE:

Premium Blue Toilet Training Seat to Grow Confidence in Little Girls, Boys and Toddlers. Secure, Portable Cushioned Potty Seat with Splash Guard.

BULLETS:

BOOST CONFIDENCE. Make potty training into a fun and confidence-boosting experience by helping your baby girl or boy transition to the adult-sized bowl when he shows signs that he's ready. This adapter seat works like a topper for the regular sized bowl so your child can make progress at his own pace. Train your child to use it on his own and he's one step closer to becoming a happy and self-reliant kiddo.

FEEL SAFE AND COMFORTABLE. Don't settle for anything less than the best potty training seat. Unlike poor quality adapter seats, this does not break or crack easily. It is made of molded plastic so it carefully cushions baby's bottom and is a lot more comfortable than other potty chairs made of hard plastics. Don't worry about harmful materials because we rigorously test our products to ensure they pass US and European plastic safety standards.

LESS POTTY TRAINING MESS. Spills and splashes are all part of the potty training experience but your house doesn't have to suffer for it. Keep potty training mess to a minimum with the potty seat's built-in splash guard that prevents pee and liquid from spilling out of the toilet. The trainer seat surface features a sloping design so liquids easily slide into the toilet. No more messy floors.

TRAVEL WITH EASE. Have peace of mind every time you and your child goes out of the house because this training seat is lightweight, compact and portable. It works like covers that securely attaches to most regular sized toilet bowls so your toddlers do not have to worry about using toilets in the school, restaurants or in outdoor activities.

INSTANTLY CLEAN IN LESS THAN A MINUTE. Cleaning up is part of the potty training process but we'll help you save time and effort from it. Spend more quality time with your kids because this toilet training seat is made of durable plastic that is easy to clean. Just wash with soap and water and it's all set for the next use.

DESCRIPTION:

Toilet training doesn't have to be a battle between you and your child.

Most kids resist using a regular sized toilet because they're afraid to fall in. With an adapter seat you help them overcome this fear and ease their transition from a child-sized potty chair to an adult sized bowl. Make the Billie Bumble toilet training seat your sidekick in your child's potty training adventures.

Potty training success is within reach when you boost your child's confidence with this adapter seat. It is made of moulded plastic so it comfortably cushions baby's bottom, unlike other seats made of hard plastic.

Spills and mess are all part of toilet training but your house does not have to suffer for it. Keep mess to a minimum with the toilet seat's built in splash guard and clever sloping design. The splash guard prevents pee from spilling out and the sloping surface makes liquids easily slide into the bowl. Cleaning is super easy, too. Just wash with soap and water and it's all set for the next use. Teach your child to use and clean on his own and you'll have a confident and independent kiddo in no time.

Have peace of mind when you and your child go out of the house because the adapter seat attaches to most sizes of adult toilet bowls. It's portable and lightweight, too, so you can take it to school, camping trips and traveling.

Our toilet training seats are designed with your satisfaction in mind and they perform just as great as more expensive brands like Baby Bjorn, Summer Infant, Munchkins and Li'l Loo.

LISTING TITLE:

Step Stool For Kids to Easily Reach the Toilet, Bathroom Sink, High Bed, & Countertops. Square Design with Blue Silicone Blue Dots for Stepping Grip. Portable, Lightweight, Child Friendly & BPA Free.

BULLETS:

- YOUR CHILD'S SAFETY COMES FIRST. Avoid step stools that crack or break easily. Your child is safe from falling and possible slips. Silicone dots and rubberized bottom feet ensures your stool stays in place and prevents your toddler from slipping when climbing. Worry less about harmful chemicals because your step stool has passed all US and European plastic safety standards and is BPA free.
- CONSISTENT AND HASSLE-FREE TOILET TRAINING. Watch in wonder as your baby easily transitions from potty to toilet. Supporting up to 176 lbs, you won't even worry your children get bigger, because the step chair will stand the test of time.
- GRAB IT AND GO. Your consistency of toilet training away from home with the same lightweight stepping stool makes your kid feel more confident. It's not just for the bedroom or bath, it's useful for outdoors or camping trips so small kids can reach the high point on the shelf or closet wherever they are. Need an extra seat? No problem. Plonk down and enjoy this stool around a campfire or even in the backyard. (Just don't get it too close to the fire)
- BOOST YOUR CHILD'S CONFIDENCE. You'll wonder where the time went when your child is using the toilet, flushing, cleaning hands at the kitchen counter, brushing teeth and reaching the bed, all by themselves. You'll get a bit teary eyed as your little bundle of joy is no longer little anymore. It's sad to say, but your bathroom or bedside help will no longer be required. But you'll feel happy it's happening.
- 30 SECOND CLEANING. Made a mess? No problem. Simply wash your new heavy duty, non-toxic and durable step stool with warm soapy water and set it out to dry. Easy peasy. EXPERT TIP. Teach your toddlers how to clean it for you to save even more time.

DESCRIPTION:

Confidence... one step at a time.

The house can seem like a big and scary place to your child. He cannot easily reach his toys from the closet, he's afraid to fall into the toilet and he feels small and helpless. Help your child become more confident by encouraging him to do things on his own with this heavy duty yet lightweight step stool.

Other step stools are flimsy and made of low quality plastic that break or crack under heavy weight. Yours is designed with your child's safety as top priority. It can support up to 80kg so your growing toddler can use it for yours to come. The top surface features silicone dots that keeps your child from slipping when he climbs on top and the rubberized bottom ensures the stool stays firm and secure.

Stop worrying about any harmful chemicals because this new step stool is made of durable BPA-free plastic that passed all US and European safety standards.

It's as hardy and trusty as similar products from more expensive brands like Rubbermaid, Cosco, Zohzo, Enovoe and Cozy Greens. That's great quality for less the price.

LISTING TITLE:

Blue Floor Potty Chair with Removable Bowl for Easy Cleaning. Best for Toilet Training and Travel for Growing Baby Boys and Girls. High Backrest Comfortable Seat with Non Slip and Sturdy Base

BULLETS:

SAFE AND COMFORTABLE TO USE. Help your child feel confidently secure with the potty chair's non-slip seat and solid base which can support up to 25 kg of body weight. You don't have to worry about harsh chemicals either because we rigorously test our toilet seats and chairs so they pass plastic safety standards in the US and Europe. That's priceless peace of mind for both you and your toddler.

QUICKLY CLEAN IN UNDER A MINUTE. Have more time to spend with your family because cleaning this potty chair is so easy. Just remove the plastic inner bowl, empty the contents of the tray and wash with soapy water. All of that in under a minute. Now go and spend those extra minutes you save reading a book to your baby, relaxing or coloring books with your toddlers.

TAKE IT WHEREVER YOU GO. Consistency helps ensure potty training success so don't stop toilet training just because you and your kids are traveling. Easily bring the potty chair with you on road trips, camping trips and outdoor activities. Take it with you when you travel by car or train because it's super lightweight and portable.

KEEP THE HOUSE SQUEAKY CLEAN. Your home doesn't have to suffer the pitfalls of potty training. Keep mess to a minimum because your new potty chair features a splash guard that prevents spills and splashes. You can relax when your baby girl or boy uses the potty chair knowing the splash guard has got your back.

NURTURE YOUR CHILD'S INDEPENDENCE. Potty training is a great way to teach your kid to be independent and self-reliant. Our potty chairs feature a high backrest for optimum comfort and it's super easy to use. This is the best choice for helping your baby girls and boys transition into adult-sized toilets.

DESCRIPTION:

Raise your child to be confident and self-reliant. It all starts at home and it all starts with you.

LISTING TITLE:

Easy Toilet Training Seat for Boys and Girls. Portable Potty Training Tool with Durable, Safe, Non Slip Chair Design.

BULLETS:

TRANSITION WITH EASE. Most toddlers refuse to use the toilet because they're afraid of falling in and you can help them overcome this fear with the Billie Bumble standard toilet training seat. With this adapter seat you help your child make progress at his own pace so there's less pressure for either of you. He can stop using the seat when you see signs that he's ready to transition to the big bowl, it's that easy.

FEEL SAFE. Don't settle for poor quality toilet training seats that cause slips and accidents. This potty trainer seat works like covers that attach securely to the bowl so your child is safe and sound. Don't worry about harmful plastics because we rigorously test our potty seats, chairs and step stool products to ensure they pass plastic safety standards in both the US and Europe.

NURTURE CONFIDENCE. Help your child take the first step to independence by boosting natural confidence. With this toilet seat, you train your child to use the regular toilet safely and easily. As an added bonus, you can teach your kids to set up this adapter seat on their own because it's lightweight and easy to use.

TRAVEL WITH PEACE OF MIND. Have peace of mind every time you and your child goes out of the house because his new training seat is portable and lightweight. Never worry about your kid using public toilets ever because this adapter seat will fit most types of adult-sized bowls. This is the best choice for busy, on-the-go parents.

SQUEAKY CLEAN IN UNDER A MINUTE. Have more time to spend doing fun things with your family because this toilet training seat is compact so it is super easy to clean. Just wash with soap and water and it's all set for the next use.
