

OLIVCRIB

The Oliv Crib is modestly modern offering high quality craftsmanship with an equally modest price tag. The Oliv crib brings a clean modern aesthetic with a touch of warmth through the contrast of birch on white. Made from sustainably harvested solid birch, birch plywood and green grade MDF. Three adjustable positions for the mattress platform allow you to adjust the height to grow with your baby. Toddler daybed conversion available.

- Produced in a FSC certified factory
- Made in Europe
- Sustainable materials and processes
- All finishes are water born and non-toxic

OLIV DRESSER/CHANGER

The Oliv dresser does double duty as dresser and changing station by adding a standard size changing pad (not included) to the integrated top. Two large drawers with self closing/soft close drawer slides offer ample storage, as well as an open space above allowing you to keep all necessary supplies within easy reach. When your diaper days are over, just remove the changing pad and continue to use as a dresser. Painted with a non-toxic water based finish over an eco-friendly, durable, green grade MDF, made from 100% recycled content. Includes safety strap that is mounted to wall, for extra safety and stability.

- Produced in a FSC certified factory
- Made in Europe
- Sustainable materials and processes
- All finishes are water born and non-toxic

EICHO CRIB

The Eicho crib has an iconic, minimalistic look, featuring clean lined openings on side and end panels. Made with eco-friendly, green grade MDF comprised of 100% recycled/reclaimed wood, and offered in a bright white or soft grey, non-toxic finish. The crib has three adjustable positions for the mattress platform allowing you to adjust the height to grow with your baby. Toddler daybed conversion available.

HIYA CRIB

The Hiya Crib conveys an elegantly simplistic purity with its soft edge treatment making it an excellent choice for the nursery. Made with eco-friendly, green grade MDF comprised of 100% recycled/reclaimed wood in a bright white non-toxic finish, UV cured finish. Head/foot boards offered in crisp, all white painted finish, a beautiful FSC certified 10 ply birch plywood or a rich walnut stained Birch. The adjustable platform can be moved into three different positions to grow with your baby. Toddler daybed conversion available. Assembly required.

HIYA TODDLER BED

The bed has high sides to help keep your child in while sleeping; but allows you to sit at the foot of the bed to tuck them in. Made with eco-friendly, green grade MDF comprised of 100% recycled/reclaimed wood in a bright white non-toxic finish, UV cured finish. Head/foot boards offered in crisp, all white painted finish, a beautiful FSC certified 10 ply birch plywood or a rich walnut stained Birch.

HIYA DRESSER

The Hiya Dresser allows for convenient storage of bins, books or supplies in the two open spaces up top with two roomy drawers below. The Hiya Dresser also functions as a changing station with the addition of the Hiya Changing Tray (sold separately). Painted with an eco-friendly, UV cured, non-toxic paint. Choose drawer front options in all white, a beautiful FSC certified Birch or rich walnut stained Birch. Changeable drawer fronts can be easily swapped out in minutes for any color option. Cabinet ships assembled. Drawer fronts easily attach with included screws. Includes safety strap that is mounted to wall, for extra safety and stability. 100% wool felt storage bin made to fit in cubby, sold separately.

HIYA SHELVING

The Hiya Bookshelf is designed for kids and adults alike. Perfectly sized to offer a modern and functional storage solution for smaller areas or put several together to create even more storage and a great look. The upper left/lower right doors hide items you want contained while the open shelves provide an area for books, items for display or easy access to toys. Changeable drawer fronts offered in crisp, all white painted finish, a beautiful FSC certified 10 ply Birch plywood, or a rich walnut stained Birch. Includes safety strap that is mounted to wall, for extra stability. Assembly required.

WOOL FELT BIN

This structured, 100% wool felt bin in charcoal grey is designed to fit many of Spot On Square's storage units. The handy felt bin allows you to keep special items organized and contained on the shelves of the Eicho Nightstand, Hiya Dresser, Oliv Dresser, Roh Bookshelf and Alto Credenza.
