# Band: Silk **Product: PureView Case for iPhone 7 and 7 Plus** Phone Models: iPhone 7, iPhone 7 Plus Colors: clear, gold, rose gold, black

Product Description: The Pure View clear case for iPhone 7 by Silk is an ultra-slim protective case that guards the phone from drops, dings, and scratches. The two-part featherweight design combines a clear shock-absorbent rubber bumper with a crystal clear polycarbonate back plate, coming together in a single sleek case for minimal thickness and maximum protection. The elevated Lay-flat Screen Guard design and raised rear lifters protect the front & back surfaces so you can safely place your phone on any table without fear of scuffing the screen or back plate of the case. The volume and power buttons are covered with carefully-designed Natural Throw buttons, which protect your iPhone from dust and debris while providing a tactile 'click' response. All ports are easily accessible, with wide openings that allow for almost any accessory or adapter to fit comfortably. The Pure View case offers protection and grip while showcasing the iPhone's original beauty.

### Features:

- Rigid back plate and durable rubber edges unite for superior grip and slim protection
- Crystal clear materials protect and showcase iPhone 7 design
- Shock absorbent edges absorb and disperse shocks away from phone
- Elevated front & rear lifters guard the screen and back plate from scratches
- Includes premium scratch-resistant screen protector film

#### Band: Silk

**Product: PureView Case for iPhone 6(s) and 6(s) Plus** Phone Models: iPhone 6(s), iPhone 6(s) Plus Colors: black, gray, frost, gold

#### **Product Description:**

The PureView case by Silk is an ultra slim protective case that guards your iPhone 6/6s from drops, dings, and scratches. The two part featherweight design combines a sleek shock-absorbent rubber bumper with a crystal clear polycarbonate back shell to come together in a single sleek case for minimal thickness and maximum protection.
