

ADAGIO LANE™
PRODUCT CATALOG

SIZING

Please keep in mind that Adagio Lane products are not sized to fit a particular body type, but instead the particular style you wish to wear. For example, a size **short** would be best suited for a headband or scarf, while a size **long** would be best suited for longer shawls and tunic styles.

Adagio Lane products that are labeled as **one size** are meant to fit most body types and achieve most of the featured styles in this catalog.
